How our students do on state tests is just one way to measure their academic achievement. You can compare the percentage of our students that meet or exceed standards on statewide tests to the statewide percentage. You should also look at how this year's results compare to previous years'. The Illinois Standards Achievement Test (ISAT) is the state test administered to students in selected elementary grades. The Prairie State Achievement Examination (PSAE) is the state test that students take in the 11th grade.

Adequate Yearly Progress

The No Child Left Behind Act and Illinois law require the State to measure whether our school is making Adequate Yearly Progress (AYP). AYP is based on the percent of students that meet/exceed standards on state tests, both as a whole and by different subgroups. Schools must also meet minimum attendance or graduation rates. If a school does not make AYP in the same subject area for two consecutive years, it is identified for School Improvement.
