

RELEASE OF DIRECTORY INFORMATION – PARENT-TEACHER ADVISORY COMMITTEE

The Parent-Teacher Advisory Committee (PTAC) works on behalf of parents, families, teachers, and the community. Throughout the year PTAC holds open and public meetings to discuss the rights of students and families in relation to discipline matters and more. In the 2019-2020 school year, PTAC hosted four Town Hall meetings regarding dress codes, bus safety, cultural sensitivity, and more.

If you DO NOT want your student’s directory information to be released to PTAC, you must notify our Student Outreach Director in writing or email by September 15, 2020 at:
